Reference: Amended 12 Day Pre-Primary Report (4/1/06-7/14/06), received 10/15/06

Dear Mr. Brown:

In response to your letter dated November 21, 2006, we have filed an amended report to correct the discrepancies.

I am enclosing the copies of 2 checks (Norfolk Southern Corp. Good Government Fund and United Parcel Service PAC) that were inadvertently attributed to the Primary and were designated for the General election. I am enclosing a copy of a check we have written to American Maritime Officers Voluntary Political Action Fund to refund the excessive contribution.

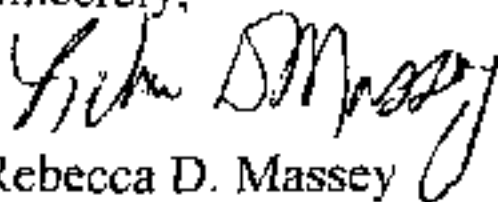

The corrections for our contributions to the candidates for federal offices has been made in the amended report.

We use the Federal Election Commission FEC software and it automatically totals the aggregate election cycle-to-date totals. From your letter, I am unsure of where the discrepancy is. As this is an automatic part of the program, I would need more information from you to further research the discrepancy.

There was one disbursement that the campaign had made to the National Republican Congressional Committee that I had inadvertently left off of the original report that caused the increase in the disbursements in the amended report.

If you have any questions, you can either email me at becky@sertoma.com or call me at 865-524-5555, ext. 4.

Sincerely,

Rebecca D. Massey
Assistant Treasurer
